

49 Years Bottles

instant wine cellar

environmental
DEFENSE CENTER

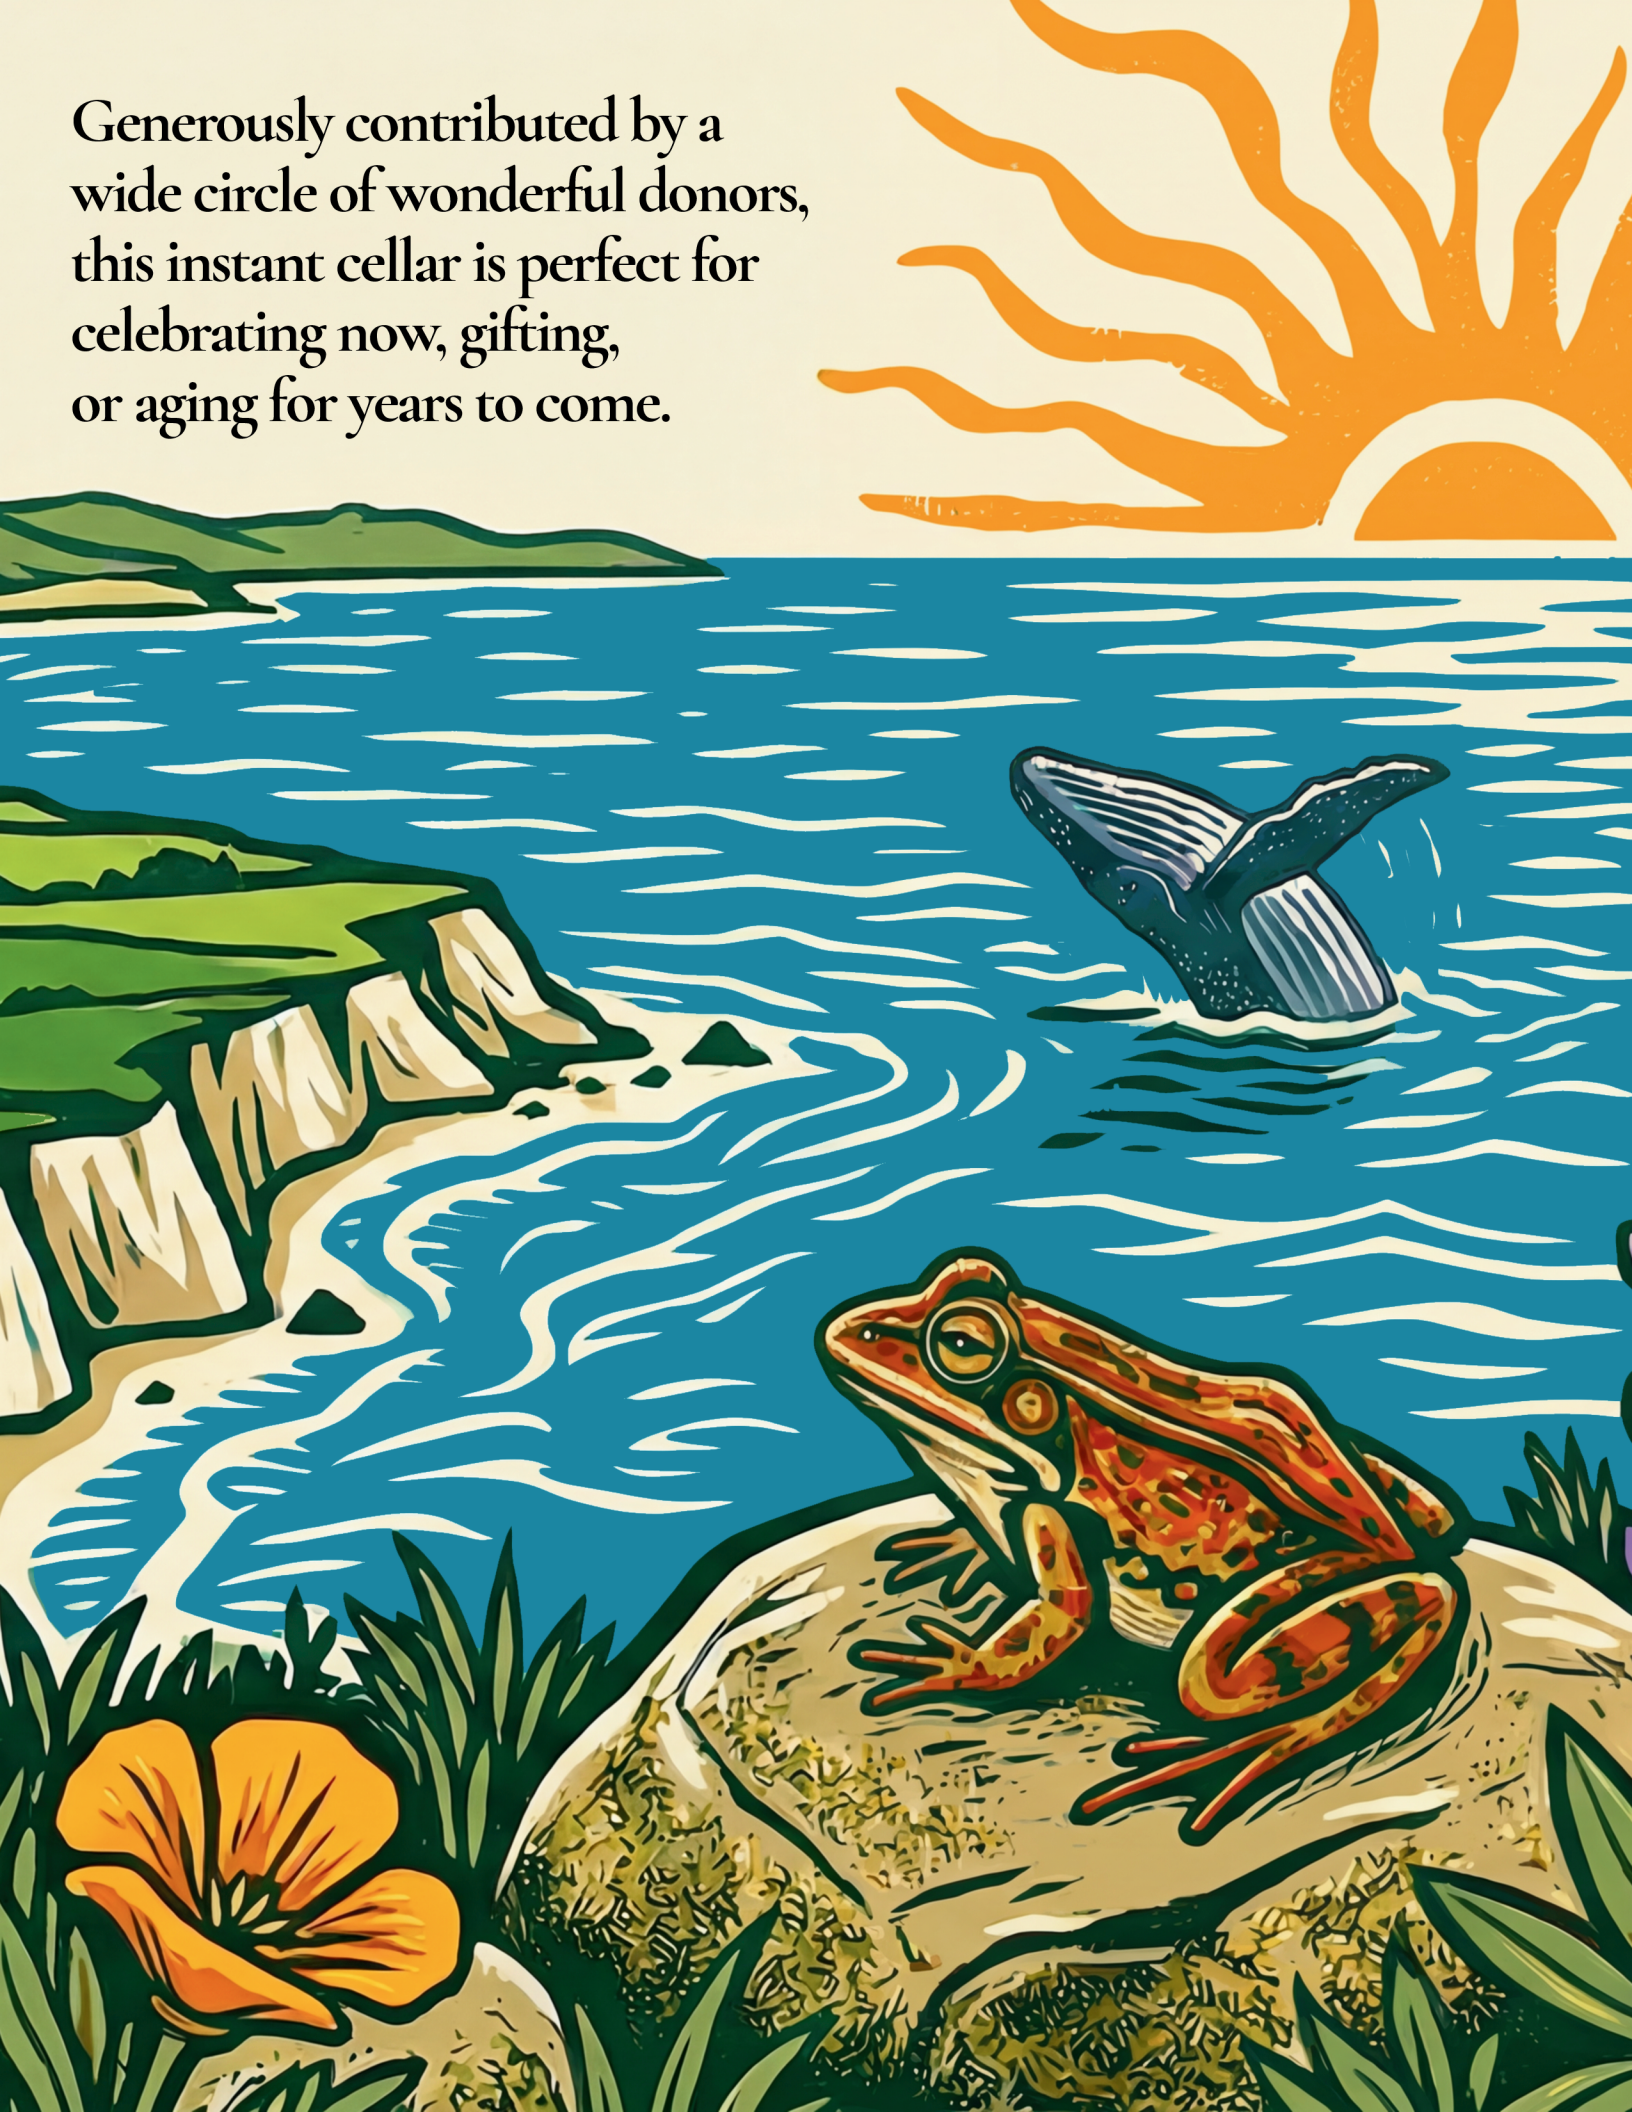

GREEN & BLUE
a coastal celebration

Celebrating 49 years of environmental protection on California's Central Coast with a remarkable collection of 49 bottles of wine from around the world.

Generously contributed by a wide circle of wonderful donors, this instant cellar is perfect for celebrating now, gifting, or aging for years to come.

Crotch's + California Bumblebees
Bombus crotchii + Bombus californicus
Šmuvič: 'Oyosow

EDC uses science and advocacy to protect
rare native bumblebees and coastal
habitats threatened by large-scale estate
development.

a toast

Thank you for being part of this special celebration
and for supporting the Environmental Defense Center.

Your generosity helps protect the Central Coast's
land, water, wildlife, and communities for
generations to come.

Bottle values listed in this catalogue were either provided by the donor or estimated using wine-searcher.com.
All values are approximate and may vary over time based on market conditions.
